ACADEMIC SERVICES AND POLICIES

OFFICES

ACADEMIC SERVICES
Academic Services is responsible for oversight of academic student support, the Learning and Tutoring Center and the Learning Resource Center, and has oversight of campus student and personnel issues related to academics.

LIBRARY
GPC Libraries provide reference and instruction services at each campus library, as well as in classrooms, by phone, email, text, online chat, and social media. Each of the campus libraries provides a comfortable space for research, quiet study or collaboration with classmates. The GPC libraries' website links to our online library catalog (GIL), research guides and multi-format tutorials created by GPC librarians, and to library hours, contact information, and “how to” sections. The libraries' website also links to GALILEO databases, containing thousands of full-text articles, online books, and videos. Off-campus access to library databases is available to current GPC students, faculty, and staff. GPC library materials are delivered from one GPC campus to another usually within two business days. GPC students and faculty may use any of the other 31 University of Georgia (USG) libraries in person or borrow books from these libraries using GIL Express.

ONLINE CLASSES at GPC
GPC Online provides a variety of online courses and, in some disciplines, a fully online degree. You can log in at any time – anywhere, and experience the ease and convenience of iCollege, our online course management tool. GPC online classes can be taken in combination with on campus classes. A number of communication tools enable students to interact with faculty and classmates. Some online courses may require proctoring; refer to course notes when registering for online classes for details.

A full array of student services and support is available through the GPC Advising, Counseling and Retention Services (ACRS) Team. Each semester, the ACRS Team also offers a schedule of online webinars, workshops and activities to give students the opportunity to interact with other online students, guest speakers and student support staff.

The tuition rate for online courses is applied separately from tuition for on campus courses. A student’s residency status has no bearing on the calculation of tuition for online courses. Go to the college’s web site for up to date tuition information (http://depts.gpc.edu/~gpcsacct/).

To find out more about online courses and activities, check the GPC Online website http://www.gpc.edu/online or call (678) 891-3535.

**HONORS PROGRAM**

The Honors Program is an academic and student services program for students in all programs of study who have demonstrated outstanding achievement and motivation. The program offers intellectually challenging courses taught by dedicated faculty, interaction with other students, and opportunities for recognition and service. The
purpose of the program is to encourage students to achieve excellence in all areas of their experience at Georgia Perimeter College. The Honors Program fosters in its students a lifelong commitment to intellectual inquiry through their engagement with the academic community and society at large. The Honors Program seeks to promote the academic and personal growth of outstanding students at Georgia Perimeter College, helping to prepare them for leadership roles in careers of their choice. As members of this unique learning community, students will engage in a stimulating Honors curriculum focusing on interdisciplinary investigation and independent research, further enhanced by the emphasis on small classes and seminars. Outside the classroom, Honors students benefit from a wide variety of Honors activities and programs.

HONOR SOCIETIES

Alpha Beta Gamma is an International Business Honor Society for men and women at junior and community colleges. To become a member of Alpha Beta Gamma, one must be a currently enrolled student in the program of Business Administration with a 3.0 cumulative GPA after earning 15 semester credit hours.

Phi Theta Kappa, the national honor society for two-year colleges, recognizes and furthers outstanding academic achievement. Membership is offered to those students who have completed 18 semester credit hours at Georgia Perimeter College with a GPA of 3.5 or better. Chapter activities promote both fellowship and scholastic excellence. Students are invited to join each semester.

Who’s Who Among Students In American Junior Colleges recognizes outstanding achievement among junior college students. Membership is by selection and is based on scholarship, leadership, participation in extracurricular activities, and general citizenship. Selections are made yearly from sophomore students.

LEARNING AND TUTORING CENTER (LTC)

The Learning and Tutoring Centers on each campus are certified by the College Reading & Learning Association (CRLA) and offer academic support to Georgia Perimeter College students. The LTCs assist students to develop their own writing, math, and scientific skills that may be required in any college course. The LTCs’ welcoming environment and free tutorial services support the college curriculum and respond to diverse learning styles. One-to-one tutoring or small group sessions with experienced tutors are available on a drop-in basis. The LTCs also offer Internet access, computer-assisted instruction for skill building and test preparation, and a variety of workshops. Online tutoring is available through the OWL (Online Writing Lab) and the MOL (Math Online Lab). Additional resources are available on the LTC website.

STUDY ABROAD

Study abroad allows students to combine academic coursework with an overseas experience, making their education even more globally relevant and personally rewarding. GPC students can find an array of study abroad opportunities through the Center for International Education (CIE). Short and long-term programs are available. Financial Aid can be applied toward the costs, and scholarships are available for approved programs. Students should plan at least five months in advance and work closely with a study abroad advisor or study abroad faculty member throughout the process.
TRANSFER ADMISSION GUARANTEE (TAG)
Georgia Perimeter College has transfer admission guarantees with numerous four year public and private institutions within Georgia as well as in other states. See the GPC TAG web site at [http://www.gpc.edu/tag](http://www.gpc.edu/tag) for a list of institutions and their criteria. Students who wish to transfer to one of these institutions after completing their program of study at GPC should meet with an academic advisor in Advising, Counseling and Retention Services.

POLICIES & PROCEDURES

ACADEMIC HONESTY POLICY

Policy
Georgia Perimeter College requires that students not attempt to defraud, deceive, or mislead an instructor in arriving at an honest grade assessment.

Procedure
Any attempt to defraud, deceive, or mislead constitutes cheating. Cheating of any kind may result in a penalty ranging from a grade of zero for the work in question to expulsion from the college.

The following are examples of cheating unless they have been specifically authorized by the instructor. This is not an exhaustive list.

A. On tests and quizzes:
   1. Looking at or copying from another student's work.
   2. Allowing another student to look at or copy work.
   3. Having a copy of the test before actually taking the test.
   4. Sharing a calculator.
   5. Communicating with anyone except the student's instructor using any form of communication including all forms of electronic communication.
   6. Accessing unauthorized material whether it be student notes, printed material, or material accessed electronically or any other way.

B. On homework, papers, and other out-of-class assignments:
   1. Copying work or answers from any source.
   2. Having a person do another student's work.
   3. Allowing a student to use another student's work as his or her own.
   4. Presenting one student's work as the work of another.
   5. Submitting false results of an experiment, data collection, a computer program or any other assignment.
   6. Plagiarism.
   7. Submitting work that has been previously submitted in another course.

C. For late work, tests, or grades:
   1. Providing false information or documents in order to be allowed to make up a missed exam, quiz, class work, or homework.
   2. Providing false information or documents in an attempt to obtain a grade change.
D. While using any GPC computer system or educational system:
   1. Logging in with someone else's identification.
   2. Allowing an individual to log in with another student's identification.

When an instructor believes there has been a violation of the AHP, the student may accept the instructor's decision or appeal it to the department chair. If the student chooses, he or she may appeal the decision of the department chair to the campus academic dean. The decision of the dean is final. Multiple violations may result in expulsion.

When a violation of the Academic Honesty Policy occurs, the instructor will inform the student of a suspected violation by completing and delivering Form A (from Academic Affairs Policy 101) to the student and obtaining the student's signature on the form.

These are the possible courses of action for the student.

A. The student proves to the instructor that there was no violation. In this event, the instructor should destroy his or her copies of Form A.

B. The student chooses to accept the instructor's decision. In this case, the instructor should keep his or her copy of Form A, signed by the student, and assign the grade as described in Section 2 of Form A. A copy of Form A should be delivered to the department chair.

C. The student chooses to appeal the instructor's decision.

   1. The student must inform the instructor and department chair of this decision by completing 2 copies of Form B (found at http://depts.gpc.edu/governance/policies/New100/101.pdf), one each for the instructor and the department chair. The student must deliver Form B to the department chair and the instructor within five college instructional days of receiving Form A. A "college instructional day" is a weekday on which classes meet or final exams are scheduled.
   2. The department chair will schedule a meeting with the instructor and the student. The meeting will be within five college instructional days of the date by which the department chair received Form B from the student.
   3. The department chair will inform the student, the instructor, and the campus academic dean of his or her decision, in writing, within five college instructional days of the meeting.
   4. The student may appeal the decision of the department chair. To do so, the student must complete 3 copies of Form C (found at http://depts.gpc.edu/governance/policies/New100/101.pdf), one each for the campus academic dean, the department chair, and the instructor. The student must deliver these forms to the dean within five college instructional days of receiving the department chair's decision.
   5. The academic dean will schedule a meeting with the instructor and the student. The meeting will be within five college instructional days of the date by which the dean received Form C from the student.
6. The academic dean will inform the student of his or her decision in writing within five college instructional days of the meeting. The decision of the dean will be final.

This dean may choose to confer with a group of his/her peers while making this decision.

If this decision results in a second incident being recorded in the data base of the Vice President for Academic Affairs, the academic dean’s notification to the student will include a warning that future violations could result in expulsion from the college.

If this decision results in a third incident being recorded in the Vice President’s data base, the Vice President will direct the Expulsion Panel to convene to decide if the student should be expelled (Academic Expulsion Policy 100).

**NOTE:** If the appeals process has not been completed by the end of the term, the instructor should assign the grade of NR until the matter is resolved.

Records of the incident will be placed on file in the office of the Vice President for Academic Affairs in the following cases:

1. The student accepts the instructor’s decision.
2. The student is found guilty by the department chair, and the student does not appeal the decision of the department chair.
3. The student is found guilty by the academic dean.

**CHEATING AND PLAGIARISM POLICY**
Cheating includes any attempt to defraud, deceive or mislead the instructor in arriving at an honest grade assessment. Plagiarism is a form of cheating that involves presenting as one’s own the ideas or work of another. Through course syllabi or course requirements, students will be informed of the cheating and plagiarism policy. The policy has been established by Georgia Perimeter College to insure due process in cases of cheating and plagiarism (See Academic Affairs Policy 101).

**DEAN’S LIST**
The Dean’s List is an honor roll of high-achieving Georgia Perimeter students. At the end of each semester, students who have achieved a grade-point average of 3.5 or better while carrying an academic load of nine semester hours or more of courses numbered 1000 or higher will be placed on the Dean’s List.

**DISRUPTIVE STUDENT BEHAVIOR**
Disruptive student behavior in academic (Academic Affairs Policy 113) or other college settings (Student Affairs Policy 218) is prohibited at Georgia Perimeter College. Disruptive behavior is defined as any behavior that interferes with teaching, administration, college activities, and the collegiate learning process. Determination of a behavior as disruptive is at the discretion of faculty or staff and can be dependent upon many factors.

Behavior which college personnel may declare disruptive includes, but is not limited to, the following:
• Entering class late or leaving early (without permission)
• Eating/drinking in class without permission
• Sleeping in class
• Persistent speaking without permission
• Inappropriate use of electronic devices
• Disputing the authority of faculty or staff
• Arguing with faculty, staff or other students
• Electronic communications which are abusive, harassing, or excessive
• Threats of any kind and/or harassment
• Physical or verbal disruptions or assault

Procedure
Disruptive behavior occurring outside of an academic setting will be reported to the Dean of Student Services and will be handled according to the Student Code of Conduct.

Disruptive behavior occurring during academic activities will be addressed by Academic Affairs Policy 113 using the following procedure. The instructor will inform a student if he or she is disruptive. If the behavior continues or escalates, the instructor will ask the student to leave the class for the day, possibly resulting in grade penalties for work missed. If the student does not leave, the instructor will call Public Safety to remove the student. If disruptive behavior occurs during academic activities conducted outside of a physical classroom, such as in online instruction or during a field trip, the instructor may remove students from participation in that activity.

Instructors should call Public Safety immediately if any of the following occur:

• A student threatens or intimidates faculty, staff, or other students
• A student engages in violent behavior
• Faculty suspect criminal activity
• A situation begins to escalate, such as a discussion turning into shouting

Any time a student is dismissed from class, the instructor will complete the Disruptive Behavior Form (Academic Affairs Policy 113). Within five college instructional days of the incident, the instructor and student will meet to discuss the disruptive behavior and develop a corrective behavior to prevent future disruptions. (A "college instructional day" is a weekday when classes meet or final exams are scheduled.) The instructor will retain a copy of the form and submit a copy to the Department Chair and to the student. If Public Safety was called to remove the student from class, the instructor will also send a copy of the form to Public Safety. If the student fails to meet with the instructor or refuses to sign the form, the instructor will note this on the form and send it forward to the Department Chair five college instructional days after the incident.

Five college instructional days after receiving the Disruptive Behavior Form, the Department Chair will sign the form, deliver a copy to an Academic Dean on that campus, and retain a copy. The Academic Dean will review the form and determine if further disciplinary action is required as governed by Academic Affairs Policy 113 and/or by the Student Code of Conduct. Five college instructional days after receiving the Disruptive Behavior Form, the Dean will sign the form and send a copy
to the Vice President of Academic Affairs (or the office/designee of the Vice President of Academic Affairs), send a copy to the instructor, and retain a copy.

The office of the Vice President of Academic Affairs (or the office/designee of the Vice President of Academic Affairs) will conduct a records search each time a disruptive behavior violation is entered. If three (3) or more violations of the disruptive behavior policy (Academic Affairs Policy 113) are found, the Vice President of Academic Affairs will direct an Expulsion Panel (Academic Affairs Policy 100) to convene to decide if the student should be expelled. Disruptive conduct of a sexual nature may require further action (Anti-Harassment and Anti-Retaliation Policy 425).

The student may appeal the instructor’s decision by delivering a completed Appeal of Instructor’s Decision Form (Academic Affairs Policy 113) to the Department Chair within five college instructional days of receiving the Disruptive Behavior Form. The Department Chair will schedule a meeting with the instructor and the student within five (5) college instructional days of receiving the appeal form. The Department Chair will inform the student and the instructor of his or her decision, in writing, within five college instructional days of the meeting.

The Department Chair’s decision may be appealed by delivering a completed Appeal of Department Chair’s Decision Form (Academic Affairs Policy 113) to the Academic Dean within five (5) college instructional days of receiving the Department Chair’s decision. The Dean will schedule a meeting with the instructor and the student within five (5) college instructional days of receiving the appeal form. The Dean will inform the student and the instructor of his or her decision, in writing, within five (5) college instructional days of the meeting. The decision of the Dean will be final.

**GRADE POINT AVERAGE (GPA) CALCULATIONS**

Use the following steps to calculate a term GPA:

- Multiply the number of credit hours for the course by the number of grade points for the corresponding letter grade to get the number of quality points for the course.
  
  \[(\text{Credit hours} \times \text{Grade Points} = \text{Quality Points})\]
  
  Repeat this for each course in the term.

<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0.0</td>

<tr>

</tr>
</tbody>
</table>

Note: Courses with any other letter grade (i.e. W, V, etc.) or grades followed by % (Learning Support, ESL, Regents' Prep), $ (Transfer Credit), # (Academic Renewal) are not used in the GPA calculation.

- Total the credit hours for each course used in the GPA calculation.
- Total the quality points for each course used in the GPA calculation.
- Divide the total quality points by the total credit hours to obtain the GPA.
  
  \[(\text{Term Quality Points} / \text{Term Credit Hours} = \text{Term GPA})\]

GRADUATION

Students are encouraged to fulfill all requirements for graduation to earn an associate degree in arts, science, or applied science. Students who earn associate degrees enhance their chances of being accepted into the senior institution of their choice. Students with associate degrees also enhance their employment opportunities after they graduate.

Students who are within a few hours of earning an associate degree but transfer to a four-year institution before completion may, in many cases, transfer the necessary hours back to Georgia Perimeter College from the four-year institution and earn the associate degree. Students should consult the campus Enrollment and Registration Services Office to explore this option.

The annual formal commencement ceremony is held in May of each year. Students completing degree requirements at the end of the summer or fall semesters may participate in the May commencement.

Graduation Requirements

Associate of Arts, Associate of Science, and Associate of Applied Science degrees and certificates are awarded each semester to those students who meet all graduation requirements. All students who have earned 30 semester hours are eligible for a graduation evaluation. Students should complete a graduation application form, available in the campus Enrollment and Registration Services office or by downloading the form from the Student Forms page of the GPC website. A separate application must be submitted for each program of study in which a degree audit is sought and a $25 (non-refundable) graduation application fee is required per application. Students should apply for graduation by the following graduation deadlines:

- Fall Semester: July 1
- Spring Semester: November 1
- Summer Session: March 1

To graduate, students must do the following:
Successfully complete an approved program of academic work, including the basic physical education requirement
Earn an overall grade point average of "C" or better in courses presented for graduation
Pass all courses on Area A (Essential Skills) with "C" or better
File an application for graduation with the campus Enrollment and Registration Services Office by the appropriate deadline
Complete at least 18 semester hours for an associate’s degree or 36 semester hours for a bachelor’s degree at Georgia Perimeter College and be enrolled during the semester of graduation
- Students who transfer their final nine semester credit hours for approved courses back to Georgia Perimeter College to complete their associate degree requirements can be exempt from the enrollment requirement.
- Transfer students must take 18 hours of courses from Areas A through F in the Core Curriculum of the associate’s degree they are seeking.
- Transfer students must take 36 semester hours of courses that apply to the bachelor’s degree they are seeking; a minimum of 18 semester hours must be in major courses.
Demonstrate a satisfactory knowledge of United States and Georgia history and Constitutions (These requirements can be met by successfully completing Area E in the program of study.)
Settle all financial obligations to the college before a degree, certificate, or transcript will be issued

Note: Students seeking a degree will not be credited with the completion of the requirements for graduation while on probation. To be eligible for graduation in Nursing or Dental Hygiene, a student must make a minimum grade of "C" in all professional courses and in all basic science courses required by the program.

SECOND DEGREE
Graduates seeking a second degree from Georgia Perimeter College must complete all degree requirements for the second degree to include a minimum of 18 semester hours above the hours submitted for the first degree.

- Hours must be taken in Areas B through F in the Core Curriculum for the second degree.
- Courses already taken may not be repeated for credit in the second degree.
- No third degrees will be awarded unless they are a combination of two associate transfer degrees and a degree or certificate in a Career program offered by Georgia Perimeter College.

GRADUATION WITH HONORS
Students who graduate from Georgia Perimeter College and excel in their academic work shall be recognized at graduation. The following grade point averages will be used in the selection of students who receive honors recognition:

<table>
<thead>
<tr>
<th>Grade Point Average</th>
<th>Honors Recognition</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.50 - 3.69</td>
<td>Graduation with honors</td>

<tr>
<td>3.70 - 3.89</td>
<td>Graduation with high honors</td>
</tr>
<tr>
<td>3.90 - 4.00</td>
<td>Graduation with highest honors</td>
</tr>
</tbody>
</table>
Computation will be based on all academic work completed at Georgia Perimeter College. At least 27 semester hours must be earned at Georgia Perimeter College to receive consideration for honors.

REGENTS’ TEST
The Board of Regents of the University System of Georgia instituted the Regents’ Testing Program to ensure that students receiving degrees possess certain minimum reading and writing skills. The passing or exempting the Regents’ Test is a graduation requirement from GPC.

Once a student has passed ENGL 1101 and ENGL 1102, he or she will be considered exempt from taking the Regents’ Test.

Other Exemptions:
Students will be considered to have fulfilled the reading comprehension requirement of the Regents’ Test if they have:
- SAT-I Verbal scores of at least 510
- ACT Reading scores of at least 23
  (Scores must be from a national administration of these tests.)

Students will be considered as having fulfilled the essay requirement of the Regents’ Test if they have:

Maintaining Student Status
Tips for Success for students in F-1 visa status:
When you enter the United States with an F-1 (student) visa, you agree to follow
certain immigration rules. Violating these rules will put you at risk for deportation
and could affect your ability to re-enter the United States for several years. The
following is a list of the things you must do to remain in legal student status.

1. Maintain full-time student status.
A. Students in F-1 visa status must maintain full-time status by being registered for a minimum of 12 credit hours. There are no excused absences, but you should contact your teacher if you will be absent and explain why.

B. F-1 students may count a maximum of 3 credit hours of on-line classes toward full-time enrollment during the fall and spring semesters. This means that F-1 students must enroll in a minimum of 9 credit hours on-campus if they take 3 credit hours on-line.

C. Do not withdraw from any classes without consulting with an International Student Advisor if the class withdrawal will put you below 12 credit hours.

2. Do not take an unauthorized vacation from school. To maintain status, F-1 visa students must enroll full-time (12 credits) in fall and spring semesters. Summer term is optional and students may choose to either not take any classes or take fewer than 12 credit hours during summer semester (unless summer semester is the first term of enrollment).

3. Do not work without authorization. You are eligible to work on campus up to twenty hours per week. For everything else, you must get special authorization from the United States Department of Homeland Security. Working off-campus without authorization is a violation of your status.

4. Keep your passport valid at all times. If your passport is going to expire, contact your home country embassy for renewal information. Please come to International Student Admissions and Advising if you need information about contacting your closest embassy or consulate.

5. Keep your I-20 valid at all times. Check the “completion of studies date” in item #5 on your I-20. If it will expire soon, speak to an advisor at International Student Admissions and Advising. If you plan to continue your studies, we may extend your I-20 with a later completion date. I-20 extensions must be done before the I-20 expiration date is reached. Proof of financial support and a graduation audit are required for an I-20 extension.

6. Maintain adequate health insurance. The Board of Regents of the University System of Georgia requires that all F-1 students maintain adequate health insurance. This is to protect you from the unexpected costs of an accident or illness. The fee for your health insurance is paid along with your payment for tuition each semester. If you have other health insurance and you want to be exempt from the mandatory health insurance policy, please contact International Student Admissions and Advising for further instructions.

7. Report address and phone number changes to International Student Admissions and Advising within 10 days.

8. Plan ahead for overseas travel and make the proper preparations. If you will be traveling outside the United States, please come to International Student Admissions and Advising at least two weeks before traveling to get your I-20 and other documents checked. You will need a valid passport, a valid F-1 visa, and your I-20 form.

9. Do not worry if your F-1 visa expires. The F-1 visa in your passport is an entry visa only. Do not worry if it expires while you are in the United States. However, the next time you travel outside of the United States (except for short trips to Canada, Mexico or the Caribbean) you will need
to go to the US embassy or consulate to get a new F-1 visa. This should be requested in your home country. Be prepared to show a valid I-20, updated financial documents and your current GPC transcript to the consular office when requesting a new F-1 visa. As always, we recommend that you visit International Student Admissions and Advising to have your documents checked before you travel overseas.

10. Adhere to deadlines to transfer to another college, to apply for Optional Practical Training, or to leave the US once you complete a course of study. See the International Student Advisor for further details.

11. Get good advice if you have questions. If you have questions about your visa status, speak with an advisor in International Student Admissions and Advising for the most accurate and current information about relevant immigration laws. So, play it safe and ask for advice from the staff in International Student Admissions and Advising when you need it.

FINANCIAL AID
One of Georgia Perimeter College’s goals is to strengthen student success. The office of Student Financial Services understands that in order to strengthen student success, we must provide assistance and guidance to students and parents regarding financial assistance so that each student may successfully meet his/her educational goals.

The office of Student Financial Services strives to help remove financial barriers and make the financial aid process as simple and easy to understand as possible. Our office is here to serve and provide financial assistance in the fairest and most efficient way possible by providing equal opportunities for deserving and eligible students who, without financial assistance, might otherwise be unable to attend college.

For additional information please visit http://depts.gpc.edu/~finaid/

APPLYING FOR FINANCIAL AID
To apply for financial aid, a student must complete the annual Free Application for Federal Student Aid (FAFSA) to be considered for certain types of aid: federal grants, federal student loans, federal work-study, state aid, institutional scholarships, and outside scholarships. Students pursuing HOPE program funds must complete a one-time online Georgia Scholarship/Grant Application (GSFAPPS).

Free Application for Federal Student Aid (FAFSA)
- An instructional worksheet to assist with completing the online FAFSA may be obtained online at www.FAFSA.gov or from any Financial Aid Office at the Alpharetta, Clarkston, Decatur, Dunwoody, and Newton campuses.
- Complete the FAFSA online at www.FAFSA.gov.
- When completing the online FAFSA, select Georgia Perimeter College (school code 001562).
- The FAFSA must be completed once each academic year (August –July) and is available in January.
- FAFSAs submitted by the April 1st priority processing date may be eligible for certain campus-based aid.

Example: For the 2015-2016 academic year that began August 2015 through July 2016, the 2015-2016 FAFSA was available online January 2, 2015. The priority processing date was April 1st, 2015 for the 2015-2016 academic year.
Scholarships
- Various scholarships are available. To determine scholarship requirements and to obtain a scholarship application, please refer to the Georgia Perimeter College Catalog for detailed information on available scholarships.
- In order for students to receive the HOPE Scholarship, HOPE Grant, Zell Miller Scholarship, or HOPE GED* Grant students must apply one of two ways: (1) complete the FAFSA at www.FAFSA.gov; or (2) complete the GSFAPPS at www.gacollege411.org. In addition to completing the FAFSA or GSFAPPS, students must complete an institutional GPC HOPE Scholarship Request or HOPE Grant Request form located at http://depts.gpc.edu/~finaid/hope.htm.
*HOPE GED recipients are not required to complete a FAFSA or GSFAPPS, but must submit an original copy of the HOPE GED Voucher form to the Financial Aid Office for completion.

Financial Aid Priority Date: APRIL 1ST
In order to be awarded financial aid at registration, all outstanding requirements and supporting documentation must be submitted to the office of Student Financial Services by the April 1st priority processing date. The processing timeframe is 2-4 weeks from the date on the last outstanding requirement and/or supporting documentation has been submitted. If a student’s file is not complete by the April 1st priority processing date, the student must be prepared to pay his/her tuition and fees by the posted fee payment deadline date. If the financial aid awarded is not sufficient to pay for all of the tuition and fees, the student is responsible for the remainder of the balance due by the posted fee payment deadline date.

TYPES OF FINANCIAL AID
The office of Student Financial Services offers several forms of financial assistance:

- **Pell Grant**
  The Federal Pell Grant is need-based financial aid and does not require repayment. The U.S. Department of Education requires applicants to complete the FAFSA. Recipients must be undergraduate students who have not already earned a baccalaureate degree or higher. The Pell Grant Program regulations limit the amount of terms that a student may receive the Pell Grant in his or her academic history. The regulations states that a student may receive up to 12 semesters or its equivalent of 600% of Pell Grant during his/her entire award history.

- **Federal Supplemental Educational Opportunity Grant (FSEOG)**
  FSEOG is a need-based grant with limited funding, based on the information a student submits the FAFSA. FSEOG is offered on a first-come, first-served basis to students with exceptional financial need and Pell Grant eligibility. Recipients must be undergraduate students who have not already earned a baccalaureate degree or higher.

- **Federal Direct Loans (Subsidized, Unsubsidized, and PLUS)**
  - These loans are provided directly through the U.S. Department of Education.
  - Students must complete a FAFSA and have no outstanding requirements.
Loans will be awarded in an offered status and student may accept the loans via the Student Information System (http://SIS.gpc.edu).

In order to receive student loans, a student
- Must be eligible for and enrolled in at least 6.0 credit hours at the time the loan disburses.
- Complete an annual Entrance Counseling and one-time Master Promissory Note (MPN) for Georgia Perimeter College online at www.StudentLoans.gov.
- Must meet all other financial aid eligibility requirements.

Federal regulations state that all 'first semester, first-time borrowers' first loan disbursement be 30 days after the first day of classes.

There are three types of Federal Direct loans offered:
- A **Subsidized** loan is a need-based loan. Additionally, if a student receives a subsidized loan to attend Georgia Perimeter College, the federal government pays the interest on the loan when a student is: 1) attending school at least half time [6 credit hours]; 2) qualifying for an authorized deferment; or 3) in the grace period before beginning repayment. All first-time loans borrowers or borrowers that have paid their subsidized loan balance, and were disbursed a subsidized loan as of July 1, 2013, may only receive subsidized loan for 150% of their program of study. A student that does not complete their program of study prior to reaching 150% of the subsidized limit may lose the subsidy on their loan and be ineligible for subsidized loan for the remainder of their program of study. For additional information on the 150% subsidized loan limit regulation please visit www.StudentLoans.gov.

- An **Unsubsidized** loan is not 'need based', and a student who receives an unsubsidized loan to attend Georgia Perimeter College is responsible for paying the interest while in school. A student may choose to pay this interest while attending school or choose not to make the interest payments while in school; the interest will be added or capitalized onto the principal balance at repayment.

- **PLUS** loans are available through the Direct Loan program. PLUS loans are based on the parent’s credit history, and a parent may borrow money to pay the education expenses of each child who is a dependent undergraduate student. A GPC Direct PLUS request form must be submitted and an online PLUS application at www.StudentLoans.gov must be completed in order to be awarded a PLUS loan.
• **Federal Work Study Program**
  o The goal of the FWS Program is to promote student employment opportunities for students who desire job experience and to assist those students who need earnings to help meet educational expenses.
  o Students must complete an annual FAFSA (www.FAFSA.gov)
  o Students are employed either on or off campus in a community service job assignment.
  o Students are paid on an hourly basis and may earn up to their maximum award eligibility.
  o For additional information on work-study, please visit http://depts.gpc.edu/~finaid/FWS%20WebPages/fws.htm or the nearest Financial Aid Office.

• **HOPE Scholarship or Grant or GED Voucher**
  o The Georgia HOPE Scholarship and Zell Miller Scholarship programs provide merit based financial assistance to students attending Georgia public and private institutions of higher learning.
  o The HOPE Grant program provides assistance to students enrolled in certificate programs at GPC. Students must not have a Bachelor’s or Master’s degree and maintain the required GPA.
  o HOPE GED Vouchers are issued to GED students after they have passed the GED exam. The student must not have previously attended a post-secondary institution, and the $500 voucher can only be used once.

• **Payment Plan (Nelnet)**
  In addition to many forms of financial assistance provided through Student Financial Services, Georgia Perimeter College is pleased to offer Nelnet Business Solutions (NBS) as a convenient budget plan. This is not a loan program. There are no interest or finance charges, and there is no credit check. Enrollment in this plan is easy and available online. Please go to http://paymentplan.gpc.edu/ for more information about this payment plan.

• **For additional information regarding types of financial aid please visit:** http://depts.gpc.edu/~finaid/loansgrantsaid.htm

**FINANCIAL AID ELIGIBILITY**

**Ineligible Statuses**
Certain admission statuses are not eligible for financial aid: transient student, auditing of course(s), international student, an undeclared major, special student, and conditional acceptance.

**Enrollment Hour(s) Freeze Policy**
The office of Student Financial Services will freeze enrollment hours after the No Show Attendance period for each part of term; this is the financial aid freeze date(s).
Students must be registered for classes before the published financial aid freeze date in order to receive federal and state student aid.

Students who register prior to the financial aid freeze date and who add classes on or after the financial aid freeze date and have a valid FAFSA on the freeze date will not be eligible for additional federal funds.

The No Show Attendance period may be obtained from the Academic Calendar.

For additional information on the financial aid freeze date and policy, please visit http://depts.gpc.edu/~finaid/priorityprocessingduedates.htm.

Satisfactory Academic Progress (SAP) for Financial Aid

Federal regulations require that students maintain Satisfactory Academic Progress (SAP) in their course of study to continue receiving federal financial aid. Failure to maintain SAP will result in the loss of federal financial aid and most scholarships.

Types of financial aid include:

- Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Direct Loans (Subsidized, Unsubsidized, and PLUS)
- Federal Work Study Program
- HOPE Scholarship or Grant, and Zell Miller Scholarship

Satisfactory Academic Progress can be separated into qualitative and quantitative measures. Students must meet both requirements to continue receiving financial aid. A more detailed explanation can be found in the Georgia Perimeter College Catalog. These standards apply to both full-time and part-time students.

IMPORTANT: It is the students' responsibility to monitor their grades and pace of completion. For additional information please visit http://depts.gpc.edu/~finaid/SAP.htm.

Complete Withdrawal and/or Failure of the Semester

Students receiving federal financial aid who formally or informally withdraw/fail to pass all courses attempted during the semester are subject to the Federal regulations for calculating the return of federal financial aid as specified in the Higher Education Amendment of 1998. The calculation determines the amount of federal financial aid that the student was eligible for at the time of withdrawal. The aid for which a student is not eligible for will be returned in the following order:

- Unsubsidized Federal Direct loans
- Subsidized Federal Direct loans
- Federal Direct PLUS loans received on behalf of the student
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Other Federal Title IV assistance

The amount of unearned funds that are returned may create a balance due on a student’s account and require repayment. The office of Student Financial Services notifies the student if a repayment is due. Students owing a grant repayment who fail to repay will be reported to the Department of Education. Failure to repay could result in the loss of future federal financial aid eligibility at Georgia Perimeter College as well as other institutions of higher education.
BOOKSTORE ALLOWANCE and REFUNDS

Bookstore allowance
A student is eligible for a bookstore allowance if there is a credit remaining from financial aid after tuition and fees are paid; a bookstore allowance is not additional funds.

- A bookstore allowance is created on the GPC ID (JCARD) to purchase books by the first day of classes. Students may obtain the bookstore allowance availability dates on campus, and notices will be sent via the GPC student email.
- The amount of the bookstore allowance is up to, but may not exceed $1000.
- Students may login to the Student Information System (SIS) at http://sis.gpc.edu to view the amount of the bookstore allowance.
- Any unused portion of the bookstore allowance will be refunded to the student after all bookstore charges are deducted.

Refunds
A student is eligible for a financial aid refund if the total financial aid awarded exceeds the total tuition, fees and other charges. A student may also be eligible for a refund if a credit exists on his/her account due to other possible changes that may occur on a student’s account. For additional information please visit http://depts.gpc.edu/~gpcsacct/resources/refund_information.html.

- Financial aid refund: Financial aid is credited electronically to a student’s account each semester to pay for tuition, fees, and any other charges. Once the student’s financial aid funds have been disbursed, the refund process occurs.
- The refund process normally occurs at least two weeks after the first day of classes. Students may obtain the refund availability dates: 1) on campus; 2) via the GPC student email; and 3) on the online academic calendar. (http://www.gpc.edu/calendar/academic/).
- Students may login to the Student Information System (SIS) at http://sis.gpc.edu to view when the refund has been applied to their student account.
- After the refund has been applied to a student’s account, the refund will then be electronically transferred to the GPC Higher One debit card within three to five business days.
  - Students will receive a GPC Higher One MasterCard Debit card with activation instructions and information in the mail within 2 to 3 weeks from the first of day classes.
  - During the activation process, a student may choose the method in which to receive a refund.

STUDENT ACCOUNTS

Tuition and Fees
- A college education is an investment in your future. It requires a commitment of time, energy, and money, but it will reward your efforts tremendously.
- This section is designed to help you consider the cost of a college education. By planning ahead, you can ensure that college will not prove to be too heavy a financial burden.
Georgia Perimeter College students are responsible for tuition and fees, which are set by the Georgia Board of Regents each year. Fees include student activity, student support, athletics, technology and other special fees.

Tuition and fees are due each semester at the time of registration. Registration is not complete until all tuition and fees have been paid. Payment can be made with cash, check, or credit card. The college reserves the right to determine the acceptability of all checks.

Checks that are not cleared are subject to additional charges for collection.

The college will withhold copies of transcripts and other student records and/or revoke the enrollment of students who owe the college money.

Student GPC Email Policy
Georgia Perimeter College will provide all students with a GPC email system account upon admission to the College. Email messages sent by GPC to GPC student email accounts will constitute an official means of communication. The College considers students to be duly informed and in receipt of communications sent to their respective account via the GPC email system. Due to security and compliance requirements, restricted information will not be sent via email. Having an official means of communication will ensure that all students are receiving information from GPC consistently and in a timely manner. This policy also provides additional information for use of the College-provided email accounts.

Official Means of Communication
All students must access their College assigned email account. Notifications such as financial aid status, registration dates, and payment deadlines will be sent to student accounts. Students should be aware that certain communications may be time-critical and that their email account should be checked on a regular basis.
Restricted information will not be sent via email. Restricted information includes FERPA-protected student education record data, HIPAA protected health information, protected financial account information, personally identifiable information, Social Security Numbers, and any information that can be used in identity theft. In order to comply with legal and regulatory requirements and protect our students’ information, restricted information must be communicated by a secure GPC-provided system. The Office of Information Technology can help determine the best method of sending other restricted information.

Students must use their GPC email accounts when responding to institutional requests. This ensures blocked or blacklisted senders will not impede the delivery of email communication from students.

POLICIES AND PROCEDURES

ANTI-HARASSMENT AND ANTI-RETALIATION POLICY

Policy
Georgia Perimeter College prohibits any form of discrimination, harassment or retaliation against or by any member of the faculty, staff, administration, student body, or visitors to campus based upon race, color, religion, sex, sexual orientation, national origin, age, whistle-blower status, disability, gender identity or expression, genetics, or any other characteristic protected by state or federal law.

Procedure
I. Harassment, Sexual Harassment, and Retaliation

A. Harassment
Harassment is unwelcome verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, religion, sex, sexual orientation, national origin, age, veteran status, whistle-blower status, disability, or genetics when
1. Such conduct has the purpose or effect of unreasonably interfering with the individual's work or educational performance;
2. Such conduct creates, or has the intention of creating, an intimidating, hostile, or offensive working and/or learning environment; or
3. Such conduct unreasonably interferes with the individual's ability to participate in or benefit from an educational program or activity.

Examples of harassing conduct include, but are not limited to, the following:
1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, color, religion, sex, national origin, age, veterans status, whistle-blower status, disability, or genetics; and
2. Written or graphic material that denigrates or shows hostility or aversion toward an individual or group because of race, color, religion, sex, sexual orientation, national origin, age, veteran status, whistle-blower status, disability, gender identity or expression, or genetics.

B. Sexual Harassment
Sexual harassment is unwelcome sexual advances, request for sexual favors, sexually-motivated physical conduct, or other verbal or physical conduct or communication of a sexual nature when
1. Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or status in a course, program or activity;
2. Submission to or rejection of such conduct by an individual is used as a basis for employment or academic decisions affecting such individual; or
3. Such conduct has the purpose or effect of interfering with an individual's work; creating an intimidating, hostile, or offensive working environment; or interfering with an individual's ability to participate in or benefit from an educational program or activity.

Examples of sexual harassment may include, but are not limited to the following:
1. Verbal or overt harassment or abuse;
2. Subtle or overt pressure for sexual activity;
3. Unwelcome or inappropriate sexually-motivated touching;
4. Offensive or unwelcome sexual advances or propositions;
5. Sexual or degrading verbal or written comments about an individual, his/her clothing or his/her physical attributes;
6. Display of sexually suggestive objects, pictures, text, cards, letters or other printed materials that do not serve an academic purpose;
7. Lewd or suggestive comments or gestures;
8. Off-color language or jokes or e-mails of a sexual nature;
9. Unwelcome, intentional touching of intimate body parts;
10. Demanding sexual favors accompanied by implied or overt threats concerning an individual's employment or academic status;
11. Demanding sexual favors accompanied by implied or overt promises of preferential treatment with regard to an individual's employment of academic status;
12. Sexual violence, a physical act of aggression that includes a sexual act or purpose.

Sexual harassment consists of exposure to a pattern of objectionable sexual behavior or exposure to a single, serious act (such as items 9-12 above). Sexual harassment can occur regardless of the relationship, position, or respective sex of the parties. Same sex harassment violates this policy as well as harassment by a subordinate employee of his/her supervisor. Although not acted upon, threats or suggestions of preferential or adverse treatment with regards to an individual's employment, academic program, or activity may constitute harassment. Conduct may be determined to be sexual in nature or to create a hostile work environment only if it would be viewed as such by a reasonable person.

Anyone involved in a romantic or sexual relationship with someone with who he or she teaches or over whom he or she has supervisory power must immediately recuse himself or herself from decisions that affect the compensation, evaluation, employment conditions, instruction, and/or academic status of the involved individual.

C. Retaliation
Retaliation against individuals who file complaints of harassment, discrimination, or retaliation is expressly prohibited. Retaliation includes but is not limited to any form of intimidation, reprisal, or harassment due to filing a complaint of misconduct. Appropriate disciplinary action shall be imposed for verified acts of retaliation.

II. Complaint Resolution Process
Any employee, student, or visitor of the college who feels he or she has suffered any form of harassment, discrimination, or retaliation should immediately report the alleged conduct to any individual at the next supervisory level (above the level of the person identified in the complaint) and/or the Director Human Resources AA/EEO and Compliance. The supervisor must report the complaint to the Director Human Resources AA/EEO and Compliance within two business days of receiving the complaint.

All supervisory personnel have an affirmative obligation to report, prevent, and eliminate harassing, discriminatory, and retaliatory conduct. Faculty members have an obligation to address any inappropriate behavior and report it to appropriate supervisory personnel and, in the case of sexual violence, to public safety. Chairs, deans, directors, executive directors, associate vice presidents, vice presidents, members of public safety, and the Office of the President have been designated as officials who have the authority to address allegations of harassment, discrimination,
and retaliation in consultation with the Director Human Resources AA/EEO and Compliance. These persons shall receive training in proper procedures. These persons immediately shall intervene to eliminate misconduct in working and learning environments, regardless of whether they have or have not received a complaint of harassment, discrimination or retaliation. All offenses shall be reported to the Director Human Resources AA/EEO and Compliance within one business day after becoming aware of the incident.

Other personnel who have knowledge of alleged harassment, discrimination, or retaliation shall report the conduct to a supervisor (above the level of the person identified in the compliant) and/or to the Director Human Resources AA/EEO and Compliance. If the Director human Resources AA/EEO and Compliance is accuses of wrongdoing, the report shall be submitted to the Chief Human Resources Officer. Complaints of alleged harassment, discrimination, and retaliation should be reported within two business days after becoming aware of the incident.

Determination of whether harassment has occurred must use the “preponderance of evidence” standard. If there is more evidence of harassment than evidence contradicting it, then harassment has occurred.

INFORMAL RESOLUTION (Supervisor, Complainant, and Respondent)
The supervisor meets with the complainant and the respondent first individually and then as a group, if appropriate and agreed to by the complainant, to resolve the issue informally. These meetings should occur within seven business days of the initial complaint unless extraordinary circumstances intervene. If the complainant and the respondent accept the supervisor’s recommendation at the end of the informal process, each will sign a form acknowledging their acceptance and forward the form to the Director Human Resources AA/EEO and Compliance. If both parties are satisfied with the resolution, the process ends with the Informal Resolution. If either party is not satisfied, he/she may choose to speak with the Director Human Resources AA/EEO and Compliance within ten business days of completing this informal process to begin the Formal Resolution. (If the supervisor has concerns about the severity or complexity of the accusations, he/she may refer the case to the Director Human Resources AA/EEO and Compliance.)

Note: The complainant may skip the Informal Resolution at any time and proceed immediately to Formal Resolution.

FORMAL RESOLUTION (Director of Affirmative Action and Compliance)
Step 1. Investigation and Recommendation: (Director Human Resource AA/EEO and Compliance) If either party or the supervisor contacts the Director Human Resources AA/EEO and Compliance requesting further action, the director will initiate an investigation including presenting a written statement of the alleged actions to the respondent. The director will present the written findings of the investigation along with a recommendation of a method of resolution to the area vice president within twenty business days, if possible, but no later than thirty business days. The Director Human Resources AA/EEO and Compliance will keep both parties and the appropriate level of supervision informed of the status of the compliant at the appropriate time.
Step II. Decision: (Area Vice President) The area vice president in consultation with appropriate area supervisor (e.g. a dean or director), makes a determination based upon HR’s written findings within ten business days and notifies all parties. If the complainant or respondent does not agree with the decision, he/she may appeal to the president within ten business days.

Step III. Appeal: (President) The president or his/her designee (someone other than the area vice president involved in the “Decision”) either makes a final determination or convenes a review committee. If a review committee is convened, a chair is selected by the president or his/her designee. The complainant and respondent each select a committee member from within the college community. (Any committee member selected will have had no involvement in the Informal Resolution, the “Investigation and Recommendation,” or the “Decision.”) The committee must present a recommendation to the president within thirty business days of the appeal to the president. The president or his/her designee (someone other than the area vice president involved in the “Decision”) reviews the information from the investigation and the review committee’s recommendation and renders a final decision within ten business days.

III. Sanctions
Appropriate remedial and/or discipline action up to and including dismissal from the college will be implemented against individuals found to have violated this policy.

IV. Prohibitions
Persons who knowingly fabricate allegations of harassment, discrimination, or retaliation violate this policy. In such instances, the complainant will be subject to disciplinary action. However, failure to prove a claim of harassment, discrimination, or retaliation does not constitute proof of a false and/or malicious accusation.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of misconduct shall be subject to disciplinary action.

V. Confidentiality of Proceedings
Although absolute confidentiality cannot be promised, the highest degree of confidentiality possible will be maintained by the college to protect the parties involved in these investigations. Only those persons who have a need to know for purposes of the investigation or resolution of the complaint shall be informed of the matter. Any individual who releases information relating to the complaint or the investigation during the course of the investigation to unauthorized individuals may be subject to disciplinary action. A complainant or respondent may seek procedural or legal advice from supervisors or consultants as long as conversations remain confidential.

**Copyright Infringement**

Georgia Perimeter College students are required to adhere to copyright laws and
regulations. Most software used on Georgia Perimeter College computers is covered
by copyright, license or non-disclosure agreements. Violation of these agreements
puts Georgia Perimeter College and the individual in jeopardy of civil penalties.
Other possible infringements include illegal copying or distribution of copyrighted
digital media, such as music and videos. Examples of copyright violations include,
but are not limited to:

- making copies of or distributing copyrighted or licensed software or digital
  media without proper authorization
- using software in violation of copyright, license or non-disclosure
  agreements
- using college computers for unauthorized private or commercial purposes

The **Higher Education Opportunity Act** (HEOA) includes provisions to reduce the
illegal downloading and distribution of copyrighted works through peer-to-peer (P2P)
file sharing. In order to comply with HEOA and effectively combat unauthorized
distribution of materials by users of the Georgia Perimeter College network, Georgia
Perimeter College has implemented technologies to identify and/or block many peer-
to-peer protocols primarily associated with copyright infringement. Georgia
Perimeter College also receives Digital Millennium Copyright Act (DMCA) notifications
indicating unauthorized copying of materials. When the college identifies or is
notified of this activity, the network port and/or wireless connection associated with
that user is disabled and the affected user is notified. The user must remove the
offending software in order to re-establish connectivity to the Georgia Perimeter
College network. Repeat offenders are subject to progressive consequences,
including disciplinary actions.

Copyright infringement may include civil and criminal penalties. In general, anyone
found liable for civil copyright infringement may be ordered to pay either actual or
statutory damages affixed at not less than $750 and not more than $30,000 per
work infringed. For "willful" infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees.

For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

EDUCAUSE maintains a list of all known legitimate download services, available at http://www.educause.edu/legalcontent, which the Georgia Perimeter College community is welcome to access.

The Georgia Perimeter College Appropriate Use of IT Resources Policy at http://www.gpc.edu/governance/policies/New500/507.pdf prohibits illegal downloading and sharing of copyrighted materials. Please refer to www.gpc.edu/heaocompliance for additional information about the college’s HEOA compliance plan. **STUDENT CODE OF CONDUCT**

Membership in the college community confers upon students certain rights and imposes certain responsibilities, which are defined below. Students are expected to understand and exercise their rights, to meet their responsibilities, and to respect the rights of others. The College’s student code of conduct enforces these responsibilities and affords the same rights to students. The College will help to preserve a climate in which students can develop without denying this same opportunity to others. Unfamiliarity with the following does not excuse students from carrying out their responsibilities as members of the college community.

The demonstration must be restricted to the area specified in the permit.
  3. No official records shall be available to unauthorized persons within the institution, or to any person outside the institution without the expressed written consent of the student involved, except under legal compulsion.

7. Students have the right to due process when accused of any violations of college regulation or rules of conduct. • **Student Regulations and Rules of Conduct**

It is a basic and fundamental responsibility of a college to maintain order through reasonable policies and procedures. The filing of an application for admission shall be regarded as evidence of the applicant’s intention to abide by the standards and regulations of Georgia Perimeter College. Students forfeit their right to remain enrolled if they fail to comply with such standards and regulations.

- **Gambling**

Students accused of Student Conduct Code violations will be given adequate due process through administrative procedures and the College Court. Violations will be adjudicated through an administrative hearing with the Dean of Student Services and/or through a formal hearing via the College Court.

An administrative hearing is a meeting between the accuser, the accused, and the Dean of Student Services. An administrative hearing is appropriate when all parties voluntarily agree to engage in an attempt to resolve the complaint. This may result in sanctioning if needed. If the administrative hearing does not result in resolution, the case will be forwarded to the College Court for a formal hearing.

Except under unusual circumstances (i.e. threat of personal safety or physical danger), dispositions resulting from administrative hearings will not involve suspension or exclusion from classes or expulsion or termination of student status in the college community.

Students under disciplinary suspension, exclusion, or expulsion and termination are forbidden the use of college facilities during the term of their sanction. Disciplinary charges against a student or student organization alleging infraction of the rules and regulations of the college may also subject such student or student organization to temporary sanctions by the campus Dean of Student Services, including suspension, pending the final disposition of the case, if the circumstances indicate that this is necessary to maintain the orderly operation of the college.

HEALTH, WELLNESS AND RECREATION
Georgia Perimeter College Health, Wellness & Recreation Department is your pathway to better health. As a student, you invest time, effort and financial resources towards attaining your educational goals. GPC HWR fully supports your academic endeavors. GPC HWR believes it is just as important for students to invest time and effort in their physical, emotional and social development as well as in their academic achievement.

Today, it is more important that students maintain a healthy balance between academics, work and family. Statistics show the leading causes of disease and death can be significantly reduced by maintaining proper nutrition, maintaining a consistent exercise program and addressing mental/emotional health issues. Heart attacks, diabetes, strokes, obesity and many forms of cancer prematurely end lives every day taking away valuable human and financial resources from our communities. In order to counteract these negative effects, HWR events, programs and activities focus on providing students opportunities for physical activity, wellness education, intramural sports competition and exposure to lifelong learning activities.

The Student Activity Fee allows access to programs and resources that empower students to achieve their optimal level of mental, emotional and physical health. Students may participate in a variety of free wellness activities on and off campus; HIV/STD testing/counseling, health screenings, stress reduction activities, campus walks, health fairs, exercise incentive programs, nutritional educational programs, outdoor wellness programs, fitness classes and intramural sports.

Each GPC campus provides recreational and intramural programs for currently enrolled students, faculty and staff. Hours of operation, open recreation rules, procedures, cost of participation and other pertinent information may be obtained from each campus Health & Wellness Office or visiting department website, www.gpc.edu/hwr.
HWR is dedicated to seeing students obtain and maintain optimal health and happiness while attending all Georgia Perimeter College campuses. Our department motto reflects that belief: Get fit. Stay fit... the game lasts a lifetime!

OFFICE OF STUDENT LIFE

Georgia Perimeter College ("GPC" or "College") strongly supports the First Amendment guarantees of freedom of speech, freedom of expression, and the right to assemble peaceably ("speech activities"). GPC also recognizes its responsibility to provide a secure learning environment, which allows members of the community to express their views in ways that do not disrupt the operation of the College. In establishing this policy, GPC in no way expresses any viewpoint regarding any issues or ideas voiced as a result of this policy. Access to free expression areas shall be provided on an equal, viewpoint neutral basis.
